

Introducing ... Univar CASE Specialties Contact Centre

CASE Specialties Contact Centre is a Technical Resource for your business, working with the Industries Top Suppliers providing innovative and technically differentiated products to the marketplace. Our goal is to manage, develop and grow your business.

The CASE Specialties Contact Centre is presently staffed by two Inside Technical Specialists, based in Montreal and Toronto and is responsible for customers across Canada.

Call the Contact Centre for:

- 🌀 Technical Information and Literature
- 🌀 Technical Recommendations
- 🌀 Finding a Product for your Industry
- 🌀 Have a Technical Problem
- 🌀 Have a Question about Coatings, Adhesive, Sealants, Elastomers or Other Applications
